MOHASIN K RAHUMATHULLA

Front-end Web Developer

mohasin.rahumathulla@gmail.com | +91 9495314428

CAREER SUMMARY:

Seeking a challenging IT role where I can contribute to the growth of the organization by using my technical skills and expertise to design, develop, and transform technical systems. I am eager to learn and grow in a dynamic and fast-paced work environment, and strive to add value by conducting thorough analysis, presentations, and evaluations. My ultimate goal is to form a long-term partnership with an organization where I can make a mutual benefit while continuously acquiring new skills and knowledge.
